FINGERPRINT PROCEDURES

Before the Bureau issues a license, clearances must be received from the Department of Justice (DOJ) and the Federal Bureau of Investigation (FBI). Two methods are available to complete the fingerprint requirement:

- ☐ **A. Live Scan Process**
For applicants residing in or near California, please use this process. On average, Live Scan results are received within two weeks.

Live Scan Procedures

1. Complete the Request for Live Scan Services Form (BCII 8016).
2. Take the completed form (in triplicate) to a Live Scan site and pay the applicable fees.
3. Submit the **second copy** of the Live Scan Services Form with your license application.

Visit www.caag.state.ca.us/fingerprints/publications/contact.pdf or locate a Live Scan site near you by using an Internet inquiry for "Livescan in (City)". Hours of operation and rolling fees vary, so please contact the Live Scan site directly for information.

Or

- ☐ **B. Fingerprint Cards**

Please contact the Bureau at (916) 574-7991 or e-mail us at naturopathic@dca.ca.gov to obtain fingerprint cards. Results from the manual card process are typically transmitted in 3 to 5 weeks, but can take as long as 24 weeks.

Manual Fingerprint Process

1. Contact the Bureau to obtain two fingerprint cards.
2. Complete all applicable areas on both cards (refer to instruction sheet included with the cards).
3. Take the completed cards to a local law enforcement office to have your fingerprints rolled.
